Add a digital sign to your location

Digital signage is not just a trend, it's a reality. Many business are using digital sign to cut back on printing costs and more importantly, catch the eyes of their patrons. If you are considering using digital signage in your venue or business contact us today! We offer full installation services, an easy to use content management system, real time news and weather feeds, content production and more all at an affordable price.

High quality,
digital advertising
at an affordable
price

HOW IT WORKS

It's as easy as 1-2-3

We provide high quality, digital advertising at an affordable price! All you have to do is tell us what you want. We create everything from still digital "poster" ads to dynamic motion graphics content. We can even film and edit full video commercials for your business or organization. It's all up to you. Once your ad has been created you can run it as many times as you'd like and even use it on your own website or social networking page.

1. Pick your ad style

Choose from a still, motion or full video advertisement. DivergingSoul Media will create an eye catching still or motion advertisement with your logo or images. We can even come to your location to film and edit a full video commercial for your business! This is a one time fee and you can use your ad on your own website or social networking page!

Still Ad - \$25

Motion Ad - \$65

Video Ad - starting at \$199

2. Choose your ad length

You can have your ad run as a :15 or :30 second spot. Every ad runs for exactly 4 weeks and plays an average of 7 times an hour! In total you will get nearly 2,000 plays per location.

:15 Ad - \$72
:30 Ad - \$140

3. Pick your location(s)

The DS2 network has several locations and is continuously growing. With your investment you can run your ad at one of the many DS2 locations. Extend the reach of your ad by advertising at multiple locations.

1 Location - FREE

Additional Locations - \$50 each
